

Is It Just A Day?

Paediatric Day Surgery Pathway and Pain Management

2nd
October
2026

Engineer's House

The Promenade,
Clifton Down,
Bristol, BS8 3NB

A unique opportunity to join with all members of the MDT to discuss key topics in the paediatric day case pathway. Eminent speakers will discuss current practices and future developments. There will be plenty of opportunity for questions and interactive discussion with speakers and colleagues nationally and from around the South West.

Topics include:

- * Pain management preparation
- * Fasting times / Sip til send
- * Pre-medication: advantages, challenges and risks
- * Perioperative anxiety and negative behaviour
- * Talks from specialist areas including ENT (OSA), Urology (hypospadias), Orthopaedics (arthrograms, tenotomies and more) and General Surgery
- * Intra-operative pain managements and blocks
- * Nurse led or doctor discharge
- * Should we give pain relief for discharge?

Prices:

£80 plus booking fees

Breakfast and 2 course lunch included!
